How does PAC benefit my community?

The Pondera Arts Council is dedicated to bringing cultural events, movies and concerts to our local community.

We provide a scholarship each year to a high school senior who has participated in the arts throughout high school and intends to pursue artistic education and or endeavors in the future.

The proceeds from the Rhubarb Festival held each year during the Whoop Up weekend support the scholarship fund.

Current movie selections are offered weekly and children enjoy the Summer Matinee Series. We also feature a Classic Movies series each fall and spring.

The Orpheum offers a quality venue for local music and dance recitals. PAC also produces six live performances and sponsors *Shakespeare in the Park* and *The Missoula Children's Theater*. The Orpheum also provides jobs and is a viable business within the community.
