## *How does PAC benefit my community?*

The Pondera Arts Council (PAC) is dedicated to bringing cultural events, movies and concerts to our local community.

PAC produces six live performances for the local community and also sponsors *Montana Shakespeare in the Parks* and *The Missoula Children's Theater* productions each year.

The Orpheum Theatre is operated through PAC. It offers a quality venue for local music and dance recitals, and may be rented by the community. Current movie selections are offered weekly and children enjoy the Summer Matinee Series at a discounted rate. We also feature a Classic Movies series each fall and spring. The Orpheum provides jobs and is a viable business within the community.

PAC provides a scholarship each year to a high school senior who has participated in the arts throughout high school and intends to pursue artistic education or endeavors in the future. Proceeds from our Rhubarb Festival during the Whoop Up weekend support the scholarship fund.
